Kanitamizh Peravai (கணித்தமிழ்ப்பேரவை)

Introduction

Tamil Nadu Government introduced Tamil Virtual Academy for creating awareness on the necessity of Tamizh Computing by starting "kanitamizhperavai" in more than 100 colleges and universities which include arts and science, engineering, agriculture and medical colleges. About 10,000 students from various Colleges / Universities have registered for KanitamizhPeravai. 'Kani TamizhPeravai' (Forum for Tamizh Computing), an initiative of the Tamil Nadu Virtual Academy, to encourage and motivate students to use Tamizh in computing.

Vision

To provide affordable quality education about computers and Tamil, while equipping students with knowledge and skills in their chosen stream, inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings.

Mission

To strive for quality education in keeping with the motto of the **KanitamilPeravai** "Tamil in Internet and Its Applications " and prepare young minds for imbibing knowledge, skills and sensitivity.
