

பெரியார் கலைக் கல்லூரி PERIYAR ARTS COLLEGE

Devanampattinam, Cuddalore - 607 001

(A Higher Educational Institution run by the Government of Tamilnadu)
Affiliated to Annamalai University, Annamalainagar

ANNUAL REPORT 2022-2023

I am very happy to present the Annual Report of Periyar Arts College for the year 2022- 2023. Periyar Arts College was established in 1964 and came across its golden jubilee too. In this academic year, 1898 students were admitted in 20 Departments and the first year classes for the academic year 2022-23 started on 18.7.2022. The college is running successfully..

This renowned Periyar Arts College is located in Silver Beach, Cuddalore, provides the education to the poor and backward students of the rural areas and making progress in their lives.

Teachers have improved their skills through 24 Faculty Development Programme. The Research Departments have published 40 research papers in peer reviewed research journals and 10 books.

In the academic year 2022 - 2023, students from Tamil Department respectively Mahendran, Kalidas, K. Ammachi, K. Bhuvaneshwari, Rajsreethar, Smitha R. and Manikandan in Zoology got their Ph.D. degree.

The college has seen tremendous developments in an efficient manner over various periods. The National Assessment and Accreditation Council (NAAC) has granted the college C Grade in 2004 and B grade in 2015. It is now trying to get A grade with autonomous from this position.

The college library is functioning effectively. During this academic year 850 books have been purchased in various departments and the college library is functioning on computerized system. Students are making good use of it.

In the academic year 2022-23, seminars and forum functions have

been held in various departments. They have conducted many events, especially in the department of MSW. Blood Donation Camp conducted by Young Red Cross Society is graced. Botany Department has conducted inaugural function of Department Association. On behalf of the chemistry department, they have gone on industrial fieldwork. The World Forest Day has been celebrated in collaboration with the Department of Zoology and the Forest Department. Together with the Corporation, our college has done cleanliness work at Silver Beach. National Service Schemestudents have also conducted various programs especially in the villages.

The Government of Tamil Nadu sanctioned Public Works Department for the renovation of the college buildings. Two buildings (18+14) with approximately 32 classrooms for the Development College were constructed by Tamil Nadu Government during this academic year and inaugurated by the Hon'ble Chief Minister of Tamil Nadu on 19.1.2023 through video conference. Currently it is reserved for Department of Botany, Department of Zoology, Department of Statistics and Department of Computer Application and classes are being held successfully.

On behalf of the Higher Education Department of the Tamil Nadu Government, 354 seats for students have been given to this college at a cost of Rs 10 lakh. A building with 6 classrooms was completed at a cost of Rs.1 crore from Rusa Fund and Inaugurated on 19.1.23. This building has been allocated for the microbiology department and it is running well. Rusa has also given permission to build two laboratories in its top floor. The construction will soon be completed in the forthcoming academic year.

Approval for construction of Auditorium estimated Rs 1 crore from the fund of NLC, CSR has been obtained from the District Collector. Efforts will be made in this academic year and the construction will soon be completed. The work of laying lawn in front of the college is going on for its grand appearance. Aquaculture and pond renovation work is being carried out under the supervision of Zoology Department of the college.

In this Academic year 5020 students have been benefitted by scholarships
