	Alumni Engagement		✓			
Governance, Leadership and Management	Institutional Vision and Leadership	✓				
	Strategy Development and Deployment	✓				
	Faculty Empowerment Strategies		✓			
	Financial Management and Resource Mobilization		✓			
	Internal Quality Assurance System		✓			
Institutional Values and Best Practices	Institutional Values and Social Responsibilities	✓				
	Best Practices	✓				
	Institutional Distinctiveness	✓				

SUGGESTIONS:

1. Library automation has to be carried out. Students should be motivated to access the library frequently.
2. Students enrolling in to higher studies are considerably low. Awareness programmes can be conducted to increase the higher education enrolment ratio.
3. Considering the higher number of students enrolled in the college, more number of students can be made to participate in sports and cultural activities.
4. Since there are adequate number of faculties with Ph.D, staff members can be motivated to publish research papers.
5. The number of collaboration activities and MOUs can be increased to facilitate more exchange programmes.
